## Anderson

### Anderson's Dental Implants Practice of Choice

When you lose teeth, it compromises your smile's form and function. Through dental implants, Carolinas Center for Oral & Facial Surgery offers a second chance to patients who have either lost teeth or anticipate needing a tooth extraction.

### Specializing in Oral & Maxillofacial Surgery

Our multi-specialty practice is known for proficiency and experience. To promote patient outcomes, we provide a full spectrum of implant and oral surgery solutions, plus in-house anesthesia.
