Greenville's Dental Implants and Oral Surgery Practice of Choice

Your care is our forte. From custom-designed dental implants to restore your smile to safe and gentle wisdom teeth removals, our multi-specialty team of doctors offers a coordinated and customized approach to quality oral and facial treatments that are always personalized just for your needs.

Specializing in Oral and Maxillofacial Surgery

When it comes to oral health and surgery, we are a multi-disciplinary team you can trust! Our doctors are specialists in diagnosing and treating a wide range of oral and facial conditions impacting the head, neck, mouth, jaw, and face—from simple tooth extractions to complex reconstructive facial and jaw surgeries. We can help you regain your confidence by restoring your smile with a single dental implant or a full-arch treatment, and we also diagnose and treat conditions like facial pain, TMJ disorders, and sleep apnea.
