## Pinehurst, NC - Southern Pines

### Pinehurst's Dental Implants and Oral Surgery Practice of Choice

Experience outstanding patient care every step of the way. At our Southern Pines office in Pinehurst, NC, we prioritize your dental health and well-being, customizing every oral and facial treatment to your unique needs. Dr. Lombrano listens to your concerns, builds a trusting relationship, and develops personalized oral surgery and dental implant treatment plans that will help you meet your dental goals.

### Specializing in Oral and Maxillofacial Surgery

We strive to exceed your expectations. Our team specializes in oral and facial treatments for the mouth, face, jaw, and head, providing a wide array of tailored services, including dental implants and tooth extractions. If you want to restore your smile and confidence with dental implants or need your wisdom teeth removed to prevent future discomfort and issues, we are committed to offering the oral and facial treatments you need in a comfortable and compassionate way.
