### Raleigh's Dental Implants and Oral Surgery Practice of Choice

Your care is our expertise. Our multi-specialty team of board-certified doctors offers a coordinated and tailored approach to high-quality oral and facial treatments. From specially crafted dental implants to rejuvenate your smile to gentle wisdom teeth removals, we ensure all services are personalized to meet your specific needs while always prioritizing your safety and comfort.

#### Comprehensive Dental Implant Solutions

Transform your smile and confidence with natural-looking, permanent dental implants that are custom-designed for optimal fit and function. Whether you need to replace a single missing tooth or are looking for a full-arch restoration, our comprehensive dental implant treatments will restore your oral health and ability to eat, speak, and smile confidently. Our Raleigh team is uniquely qualified to provide the highest level of care and seamless treatment experiences, by utilizing the latest advancements in oral surgery, prosthodontics, periodontics, and implant dentistry. Your healthy, beautiful smile awaits.

#### Specializing in Oral and Maxillofacial Surgery

Carolinan Center for Oral and Facial Surgery is known for delivering top-tier results and a complete range of oral surgery treatments. Our experienced and trusted doctors are specialists in diagnosing and treating a full range of oral and facial conditions that affect the head, neck, mouth, jaw, and face. We provide everything from basic tooth extractions to complex reconstructive jaw surgeries. We also diagnose and treat issues like facial pain, TMJ disorders, and sleep apnea.
