Hunter Dawson, DMD, MSD

Prosthodontist

Education

Dr. Hunter Dawson earned his undergraduate degree at NC State University and attended the University of Louisville School of Dentistry (ULSD) to complete his DMD. He also completed his Advanced Education Program in Prosthodontics at ULSD and his Master's of Science in Dentistry (MSD).

He has published multiple articles in the areas of novel restorative materials using digital workflows utilizing guided implant surgery. He is also a contributor to Spear Digest for Dental Implant topics. Some of the most complex oral health situations are referred to Dr. Dawson for reconstructive dental treatment.

Dr. Dawson lectures internationally on Comprehensive Diagnosis and Treatment Planning, Digital Implant Workflows, Advances in Digital Dentistry, and Full Arch Reconstruction. He lectures for various local and state organizations in addition to consultant education within the dental implant industry.
