

Nicholas Kain, DDS

Dr. Nicholas J. Kain, a board-certified oral and maxillofacial surgeon, was born and raised in Sanford, North Carolina. He attended North Carolina State University as a Centennial Scholar and graduated as Valedictorian with Bachelor of Science degrees in both Polymer and Color Chemistry and General Chemistry.

Dr. Kain continued his education at the University of North Carolina at Chapel Hill School of Dentistry where he obtained his Doctorate of Dental Surgery. While obtaining his doctorate, Dr. Kain served as the Chairman of the Graduate Honor Council and participated in numerous community outreach programs. At the conclusion of his training at the University of North Carolina, Dr. Kain was inducted into the Omicron Kappa Upsilon Dental society, an honor based on academic achievement and professional conduct.

Dr. Kain completed his internship and residency in Oral and Maxillofacial Surgery at the highly renowned Virginia Commonwealth University/Medical College of Virginia Medical Center in Richmond, Virginia. During his surgical training, Dr. Kain continued his scholarly activities leading to the publication, as well as presentation, of multiple peer-reviewed research articles and textbook chapters. Dr. Kain had the honor of being named Chief Resident during his final year of surgical training.
